

Guidelines for the submission and design of a dissertation

- The original version as well as 3 copies of the dissertation together with all the required documents need be handed in at the dean's office. The original version of the thesis will be signed by the dean of the faculty and will be handed back to the PhD-candidate after successful completion of the PhD-examination.
- The cased dissertation (no ring or spiral binding) has to meet the following formal design conditions:
 - The paper size is A4 or A5
 - The front cover (hard cover) has to be designed according to attachment 1
 - The title page (white) has to be designed according to attachment 2
 - The second last page has to be the "Erklärung PhD-Arbeit"
 - The last (white) page needs to be a CV with informations on the educational program and the course of studies
- The institutes and departments respectively are entitled to demand another copy of the dissertation for their library.
