Notes

- The application for the master's examination must reach the studies director at least 4 weeks before the examination takes place.
- The master's examination may take place up to 2 months before the submission of the master's thesis to the Dean's Office.
- Eligible examiners are defined by RSL 18, Art. 21 (oP, aoP, Associated Prof., PD and full time lecturer or upon special permission by the Dean's Office). See also www.climatestudies.unibe.ch/about_us/supervising_faculty.
- As a general rule, the master's examination takes place during the semester. The time, venue and room reservation is organized by the candidate upon agreement with all examiners. External (not Univ. Bern campus) candidates contact the deputy study director for reservations. The candidate is responsible for organization and technical equipment.
