

## PhD Agreement (Doktoratsvereinbarung)

The PhD Agreement puts rights and duties of the PhD candidate and the supervisor(s) on record. It is valid during the PhD project and aims to set an optimal framework for the PhD candidate. The PhD Agreement is to be reviewed regularly and can be modified. **Please complete this form and submit it to the studies director within the first month of the PhD project.**

### PhD candidate

Matriculation number:

First name:

Last name:

Office email address:

### Master certificate

Place, university:

Country:

Type, subject area:

Year:

### PhD project

Start date of PhD project:

Anticipated end date:

Thesis title:

(working title)

Abstract or list of research goals:

Studies regulations and PhD title:

Envisaged thesis type:

## Supervising Committee

Principal supervisor:

Supervisor's affiliation:

Co-supervisor(s):  
(incl. affiliation, function)

Advisors:  
(incl. affiliation, function)

The supervising committee comprises two or more people: the principal supervisor and one or more co-supervisors or advisors according to PromR Article 12.

## Supervision program

The candidate and his / her supervising committee are encouraged to regularly evaluate the progress of the PhD project. Specify anticipated milestones (e.g. meetings with supervisors, seminar presentations, conference presentations, reports, publications) including deadlines:

## Educational program

The candidate is obliged to do at least 12 ECTS credits of coursework before completing the PhD (Studies Programme Climate Sciences 2018 and Appendix 2). Please specify courses and anticipated dates:

### Compulsory courses (9 ECTS)

Summer School (3 ECTS):

Colloquia and seminars:  
(3 ECTS)

Conference (2 ECTS):

Young Researchers  
Meeting (1 ECTS):

### Elective courses (minimum 3 ECTS)

**Note:** The Dean of the Faculty of Science may impose additional coursework.

## Candidate's employment

Employer, duration, funding source, employment rate:

Candidate's duties in the research group (e.g. concrete tasks in teaching assistance, lab services, ...):

Candidate's office and lab address:

## Additional comments

## Final enrolment statement

### Supervisor

The above mentioned principal supervisor confirms herewith that he / she agrees to supervise the present PhD project, under the conditions specified in this document.

Place, date:

Signature:

### PhD candidate

The above mentioned PhD candidate confirms herewith that he/she agrees with the time schedule and conditions described in this document.

Place, date:

Signature:

Please complete and sign this form at the beginning of the PhD project. Keep copies for your own use and send the original to the studies coordination of the Graduate School of Climate Sciences, University of Bern; see contact details at [www.climatestudies.unibe.ch](http://www.climatestudies.unibe.ch).
